

LAKE GEORGE EXPEDITION PARK NOW ACCEPTING JOB APPLICATIONS

Exciting new jobs at Dino Roar Valley for 2019 Season

For immediate release: March 15, 2019

LAKE GEORGE, NY--- Be part of an all-new attraction coming to Lake George this May, Lake George Expedition Park, featuring Dino Roar Valley and Magic Forest! Since 1963, Magic Forest has been delighting kids of all ages with its unique and whimsical collection of rides and attractions. The all-new Dino Roar Valley, situated within a 46-acre forest in the Adirondacks, will feature 20 full-scale animatronic dinosaurs along a half-mile paved walking trail. Dino Roar Valley will appeal to not only dinosaur enthusiasts of all ages, but also those who are looking to embark on an authentic, prehistoric adventure. If Lake George Expedition Park sounds like a place you want to visit, why not work here, too!

Careers at Lake George Expedition Park promise adventure, discovery, and excitement. Full-time, part-time, and seasonal positions are available for associates who want to ensure Lake George Expedition Park guests enjoy our unique outdoor environments. Associate positions are available in rides, operations, food and beverage, retail, guest services, security, maintenance and grounds, and as educational tour guides. Head to LakeGeorgeExpeditionPark.com and click careers for a full list of available positions and job descriptions. You can also download an application and apply online.

Lake George Expedition Park will operate seasonally Memorial Day through Labor Day and on weekends through October. Job applications are currently being accepted. The public is also invited to Lake George Expedition Park's job fair on Saturday, April 6, from 10:00am until 2:00pm. Please check our website and Facebook page for additional information.

About Lake George Expedition Park

Lake George Expedition Park promises adventure, discovery, and excitement to attendees of all ages. Each of its attractions will offer a quality experience that will spark imagination and creativity. The mission and promise of the park is for visitors to explore and immerse themselves into unique outdoor environments that transport them to other places through experiential design and themed engagement. In a world where people often race against time, **Lake George Expedition Park** will allow people to pause and imagine; engage rather than observe, and spend time with family and friends while creating memories. It is the park's vision for visitors to enjoy a one-of-a-kind opportunity that leaves them with a lasting impression and a desire to return. www.LakeGeorgeExpeditionPark.com
