

LAKE GEORGE EXPEDITION PARK DINO ROAR VALLEY: THE DINOSAURS HAVE ARRIVED!

ADVANCE TICKETS NOW ON SALE FOR SUMMER 2019; BUY ONLINE FOR THE BEST PRICE

For immediate release: April 12, 2019

LAKE GEORGE, NY--The humongous dinosaurs that will call Dino Roar Valley their home have arrived! While they become established in the lush dinosaur forest and await the grand opening of Lake George Expedition Park, aspiring paleontologists can reserve their chance to see these giant life-like creatures in person. Tickets are on sale now! Advance tickets for Dino Roar Valley and Magic Forest can be purchased online at www.LakeGeorgeExpeditionPark.com.

Dino Roar Valley will feature full-scale, animatronic dinosaurs along a half-mile paved walking trail, an experience designed to transport explorers to a prehistoric time when these legendary beasts once roamed. Visitors will encounter a variety of dinosaurs from the past, including: Anchisaurus (Early Jurassic), Argentinosaurus (Late Cretaceous Period), and possibly the world's largest dinosaur ever discovered -- Titanosaurus! These dinosaurs and more are just a few that explorers will encounter on their expedition.

Tickets can also be purchased for various additional on-site activities, including the Diggin' Up Dinos Workshop; Fossil Fixers Build & Play Workshop; Dino-riffic Breakfasts, and VIP Experience Tours. Season passes are available for purchase with and without blackout dates for \$69.99 and \$85.00 respectively. Dino Roar Valley will also feature an array of onsite amenities, including a food and beverage area with snacks and other grab-n-go items, and a multi-functional special events space equipped for birthday parties or other private events. More details can be found at DinoRoarValley.com.

About Lake George Expedition Park

Lake George Expedition Park promises adventure, discovery, and excitement to attendees of all ages. Each of its attractions will offer a quality, experiences that will spark imagination and creativity. The mission and promise of the park is for visitors to explore and immerse themselves in to unique outdoor environments that transport them to other places through experiential design and themed engagement. In a world where people often race against time, **Lake George Expedition Park** will allow people to pause and imagine; engage rather than observe, and spend time with family and friends while creating memories. It is the park’s vision for visitors to enjoy a one-of-a-kind opportunity that leaves them with a lasting impression and a desire to return.
