

## LAKE GEORGE EXPEDITION PARK CELEBRATES GRAND OPENING WEEKEND

### DINO ROAR VALLEY IS OFFICIALLY OPEN TO THE PUBLIC! ENCOUNTER 20 LIFE-SIZE DINOSAURS--DIG FOR HIDDEN FOSSILS--CLIMB INTO A DINO NEST--SEE THE LARGEST DINOSAUR EVER DISCOVERED!

For immediate release: May 24, 2019

LAKE GEORGE, NY--- Are you ready for a roaring good time this summer?! The colossal dinosaurs that call Dino Roar Valley their home have arrived! Take a walk in the lush dinosaur forest, step into their tracks, find out what they eat and hear them ROAR! Dino Roar Valley is officially open for the 2019 season and is ready for aspiring paleontologists to check out the giant life-like creatures in person.

Dino Roar Valley features 20 life-size dinosaurs along a half-mile paved walking trail – an experience that will transport explorers to a prehistoric time when these legendary beasts once roamed. Visitors will encounter a variety of dinosaurs from the past, including: Anchisaurus (Early Jurassic), Argentinosaurus (Late Cretaceous Period) and possibly the world’s largest dinosaur ever discovered -- Titanosaurus! These dinosaurs are just a few that explorers will encounter on their expedition. Plus, park explorers can also check out Magic Forest, which has been delighting people of all ages with its unique and whimsical collection of rides and attractions since 1963. Tickets for Dino Roar Valley and Magic Forest can be purchased online at [www.LakeGeorgeExpeditionPark.com](http://www.LakeGeorgeExpeditionPark.com).

Tickets can also be purchased for various additional on-site activities, including the Diggin’ Up Dinos Workshop; Fossil Fixers Build & Play Workshop; Dino-riffic Breakfasts, and VIP Experience Tours. Season passes are available for purchase with and without blackout dates for \$69.99 and \$85.00 respectively. Dino Roar Valley will also feature an array of onsite amenities, including a food and beverage area with snacks and other grab-n-go items, and a multi-functional special events space equipped for birthday parties or other private events.

## ADDITIONAL INFORMATION

Lake George Expedition Park is located at 1912 US Route 9 at the corner of Bloody Pond Road – just off the Adirondack Northway (Interstate 87) between Exits 20 and 21, Lake George, NY 12845  
The location is centrally located between major cities and regions: Montreal, Boston, New York City and Western New York.

Lake George Expedition Park will be open seven days a week, 10:00am – 6:00pm, last entry at 5:15pm. The park will operate Memorial Day weekend through Labor Day weekend, and weekends only in September and October.

## ABOUT LAKE GEORGE EXPEDITION PARK

**Lake George Expedition Park** promises adventure, discovery, and excitement to attendees of all ages. Each of its attractions will offer a quality, experiences that will spark imagination and creativity. The mission and promise of the park is for visitors to explore and immerse themselves in to unique outdoor environments that transport them to other places through experiential design and themed engagement. In a world where people often race against time, **Lake George Expedition Park** will allow people to pause and imagine; engage rather than observe and spend time with family and friends while creating memories. It is the park’s vision for visitors to enjoy a one-of-a-kind opportunity that leaves them with a lasting impression and a desire to return.
